GENERAL INFORMATION

A *Petition to Determine Parental Relationship* (FL-200) is used for individuals who were not married to the other parent of their child, the biological father was not listed on the birth certificate as the father, he did not sign the Voluntary Declaration of Paternity or Parentage when the child was born, and there is no child support Judgment establishing parentage. The *Petition* will establish the two parties as the parents of the child(ren) named and will allow you to obtain orders about child custody, visitation, and/or child support.

There are jurisdictional requirements that must be met before the court can make child custody orders. These requirements include residency in this state for six months before filing the petition, and that there is no other state that has jurisdiction to make orders about the custody of this child.
