Re: Grand Jury Report on Animal Control

Dear Honorable Judge Green:

On behalf of the Sutter Animal Services Authority, I would like to thank the Sutter County Grand Jury for taking the time to tour the new facility at 200 Garden Highway on January 22, 2014.

In the letter dated June 12, 2014 the finding and response are below:

Finding:

The Animal Shelter does not have a stationary back-up emergency generator at the facility.

Recommendation:

The Animal Shelter should have a stationary back-up emergency generator at the facility.

Response:

The recommendation will be brought before the S.A.S.A. Board to evaluate options and assessed feasibility relating to the amount of power needed to operate the facility and the cost associated with the need if an emergency should occur.

Thank you.
